- Fill the game sheet in correctly, date, time, location, game number, team names and make sure they are recorded under Home and Visitors appropriately
- **It is the responsibility of the both teams to submit the game sheet, and email the statistician.**

Each game sheet has 4 parts:

- Each team should get 2 copies of the game sheet, one is kept by the coach and the other is to be turned in to that specific associations statistician
- Colors do not really matter, as long as they are legible
- If for some reason, you don't have the sheets for drop off, PLEASE photocopy your copy of the game sheet and submit that.
- Please email the scores to your association statistician and the Black Gold Statistician at statistician@zone5ringette.com This is a double check and in case opposition coach submits late.

If you notice a discrepancy in the web site scores or standings with your records please email your associations Statistician with the details of the game.

You can check out the standings of all divisions at the Zone 5 website:
